

San Francisco July 11/99

Dearest Wife & Daughter

Mamma's letter of the 23 June to hand quite a long time on the way, Well I have just finished my vacation, I did not expect to have more than two days when we went down on the 5 they thought it would be best to keep the shop closed during the week which they did, amount of the same you will be short just \$10⁰⁰ this month excepting I wait an other week before sending check. Thinking it would be better to not keep you waiting so will send check in this letter \$240⁰⁰

I am very much pleased to hear that dear Maudie is a little better hoping she will continue to improve right along give her lots of good milk & eggs and good beef. Dont worry about me I am O.K and well never felt better in my life not a bit lame Eat well and sleep well.

I thought these shoes would be large I will send more over when Mrs Vic goes they are not back yet. You know Morra that news is very scarce all I can tell you is that I called on Mrs Hankins they wer getting ready to go to Mill Valley

I met Annie Bulle at Fatties she is married
I suppose you know that I was introduced
to her husband have forgotten his name
They live at or near Mill Valley. Annie
sends her love to Maudie.

Jack Peel has a Patent her name is Miss
Ashes she knows Maudie used to go to the
School in Berlin she sends her love to
Maudie.

Mr Cooney has been arrested again he
fired 4 shots at some men coming down
the track out-by the cut this is the third
time he has been arrested and got off

I am still in the old house it is not rented yet.
dont you worry about the box it is safe
I have the receipt for it, it is in the safe
deposit cor Montgomerly and Market.

The other is with Bordman. It would
hardly pay to send a pair of Carv's shoes now
you will be away soon I suppose.

Called on Aida and Jim they send their
love to you the baby is growing quit large.
Last Sunday I spent the afternoon with
Dr and Mrs Thrasher we all went to dinner
together the Dr invited me had a very
pleasant afternoon Mr Thrasher sent Carrie
3 copies of the Examiners of July 4 I dont
take the paper now so didnt see it
announcing Carries engagement

Thais was a cut of the Dr and none of carrie
perhaps she will show it to you. I expect Thais
will be another piece about the wedding soon.

Yes Momma I am trying to study every evening
it is hard work. I will get the German alphabet
so the old trunk has seen its bet days. how
much will you have to pay for one in Berlin,
do you like the City. Well I thought you
would. See what you can while you are
Thais. \$18⁰⁰ was not much more than
what we received or was it?

I will call on Mrs Smith tomorrow and
delivers your message. You say that you
are still suffering with nerviness try and
get something for it also for Maudie Thais
must be some remedy for it dont worrie
about anything that will make you nervis
just look after Maudie and yourself be
good to yourselves. Get the silk shirt
for Maudie it wont cost much make
her look nice. I want a Photo of her (su),
get Arthur to take one if you cant do
better. How did Maudie like your Suit and
hat? you didnt tell me, Can Arthur speak
any English? So you dont like the shoes
over Thais uh, well I suppose I will have

to send you all of your shoes while you are there
yes mama I know that you can see until
it is quite late you know the reason of that
is Berlin is much further north than frisco,
in the winter the days will be much shorter
than in frisco. You will have to light
up about 4 o'clock in the afternoon if you
want more daylight you will have to go
South. say to the south of Italy. see
yes you should have taken your Pad I will
send it with Mrs Vice if she should go
Met Mr & Mrs Keith they send their love
to you and hope that the change will
do you good.

If I don't go to Germany I may go to
England some day what do you think
of that do you think it would be a good
idea?

Well my Dear this is short but the
check will make up the rest so good
night for this time, You are always
in my thoughts, I want good news
of mardie every letter

La La Lovelingly
Papa

My Stars Beyond the Sea

Beneath a distant sky, for thee my dearest
Lover I sigh, and o'er the land and sea,
I send my love to thee.

Responding to thy loving message to me
and ever, two glorious stars you'll be
~~to me~~ as long as life remains in me.

O, how I often think of thee.

as I recall our loving past, I sigh,
Though my stars are long I hope to see,
and embrace your ^{Loving} ~~trembling~~ form's
never more to part, remember me until
^{we} meet, You my stars beyond the sea

If my stars go out, and I am here ^{my} ~~&~~ prayers
My thoughts shall ever be for thee.

from this distant land beyond the sea.

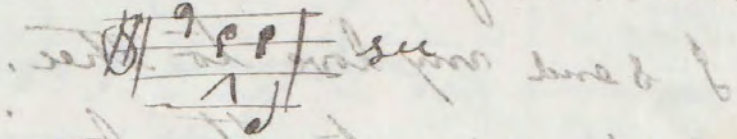

~~when~~ the western winds shall take my
love to thee o'er mountains and the sea.

By Papa Nô Anama and Anaudic

My stars beam the sea

Say Maulie

Reminds a distant day, for the ^{first} time I heard
Put some of those things to this

Perhaps you think I don't know any thing
about fence rails, two fences
as long as life remains in the

Of how I often think of them

as I recall our leaving first, I sigh,

though my stars are long I hope to see

and remember your ^{downing} ~~downing~~ farms

have never the part, remember, our smiles

next, for my stars beam the sea

If my stars go out, and I am here ^{my} ~~my~~ ^{my} ~~my~~ ^{my} ~~my~~

My thoughts shall ever be for thee

from this distant land beam the sea

where the western winds shall take my

love to thee, our remembrance and the sea

My stars beam the sea
