My Dear Daughter

I have just come from  
town & mailed a letter to you & then went  
to see Theo to find out how to send you  
money he sent his love to you &  
said to tell you to bare up for his  
sake & study hard & try & forget your  
trouble & all will again be happy  
& then went to the Bank sent you  
\$50 00 I will enclose the receipt or  
Chack would have sent it in the  
letter I just mailed but did not  
know until after I think I will  
send the 15 00 per month every two  
months as that will be more convenient  
for me to send it that way the next  
will come in July some time \$30 00  
and the next in September see this  
As all this time I hope you get  
you letter & papers all right let me know

Lovingly  
Mamma

the post man at the P. O. says all  
of you letters & we put stamps as directed  
He said that out to do so think May
